Tax Appeals

Tax appeals available for:

- Discrepancy of more than 10% error of the Impermeable Area, and
- \$50 difference in the tax amount.

Approved appeals will typically be credited to subsequent tax bill

- Draft Tax Appeals Web-Tool (Under Development)
- Draft Tax Appeals Tutorial

# Stormwater Investment Plan

- Recommended programming for the upcoming FY (collected in current FY)
- Five-year plan includes one year of recommended budget plus projected recommendations for subsequent four years
- Projections to remain fluid to allow for:
  - Potential change in revenue
  - New projects/concepts not previously available for consideration
  - Contingencies for programmed projects WASCs will apply monetary cap for 4 year projections

# WASC Operating Guidelines

Members will be required to agree to comply with District's Operating Guidelines

- Member Term Lengths
- Requirements, Roles, and Responsibilities
- Procedures for Meetings and Stormwater Investment Plans
- Reporting requirements

Similar Guidelines will be prepared for Regional Oversight and Scoring Committees

 Draft Watershed Area Steering Committee Operating Guidelines

Safe, Clean Water Program Watershed Area Steering Committee Operating Guidelines

#### ARTICLE I. NAME OF ORGANIZATION

Safe, Clean Water Program – Watershed Area Steering Committees (WASC) shall consist of nine committees within the Los Angeles County Flood Control District.

#### ARTICLE II. ORGANIZATION PURPOSE

#### Section 1. Purpose

The purpose of the SCW Program Watershed Area Steering Committees is to recommend projects and programs to be implemented for the Regional Program consistent with the SCW Program Goals described in Chapter 16 and Chapter 18 of the Los Angeles County Flood Control District Code.

#### Section 2. Specific Purpose for the Operating Guidelines

These Safe, Clean Water Program Watershed Area Steering Committee Operating Guidelines (Operating Guidelines) are to provide guidance to the members of the WASC regarding the membership, responsibilities, term lengths, minimum requirements, and other operating guidelines related to how the WASC will conduct business.

ARTICLE III. REQUIREMENTS

#### Section 1. Committee Chair(s)

The WASC can elect its own Chair, Co-Chairs, and/or Vice-Chair to help direct meetings and process. In the absence of Chair, Co-Chairs or Vice-Chair, LA County Flood Control District (District) staff will facilitate meetings. The election of any Chair, Co-Chairs, and Vice-Chair should be revisited on an annual basis. District staff will support and Chair, Co-Chair, and/or Vice-Chair as needed and be available to address and coordinate WASC and WASC meeting logistics.

Based on Program Elements with minor refinements.

To submit and be scored, certain information is required. Feasibility Study Requirements give details for each category plus general requirements, functional equivalence, and linkage to Projects Module.
